Representing one of the most ambitious developments in the history of Thailand and across Southeast Asia, MahaNakhon has a total project value of 18 billion Thai Baht. MahaNakhon is a joint venture between local partner PACE Development Ltd. and The Fishman Group, a leading global investment group, via their subsidiary and publically listed IBC Ltd, an international property and investment firm with a global portfolio. MahaNakhon features the exclusive The Ritz-Carlton Residences, Bangkok; The Edition Bangkok, a high-end boutique hotel collaboration between Marriott Group and Ian Schrager; and an international lifestyle retail center.

MahaNakhon is a testament to the developers' long-term belief in Thailand's future. Set on over 9 rai (3.6 acres), the location is in Bangkok's CBD directly adjacent to the Chongnonsi BTS Skytrain station and between Silom and Sathorn Road. New infrastructure including the upcoming BRT bus system and future developments in the neighborhood will further enhance the development as Thailand's most prestigious address.

Eliezer Fishman, owner of the Fishman Group stated, "PACE Development has strong shareholder backing, outstanding management skills and a proven track record. The truly unique location and exceptional design team is why we chose MahaNakhon as

our group's first investment in Thailand and Asia.”

The total area of the development is approximately 150,000 sq.m., with over 200 residences, 150 hotel rooms, and approximately 10,000 sq.m. of retail space.

“The top end of property buyers and investors tend to make purchasing decisions based on the assurance of quality, services, location and outstanding design. The building will be the most luxurious property in the city, and will deliver superior long-term value through the legendary service of The Ritz-Carlton, world leaders in hotel-branded residences,” Mr. Sorapoj added.
