

Press Release

PACE shows off MahaNakhon at CTBUH 2015 New York Conference

Bangkok – 5 November 2015 – PACE Development Corporation Plc or “PACE” the developer of **“MahaNakhon”** luxury mixed-use development which is also Thailand’s current tallest tower, led by Mr. Sorapoj Techakraisri, CEO, attended the CTBUH 2015 Conference organized by Council on Tall Buildings and Urban Habitat (CTBUH) during 26 – 30 November 2015 at Grand Hyatt Hotel, New York, USA. Over 1,000 developers and architectural companies being involved in developing tall buildings around the world participated in the conference.

Mr. Sorapoj represented as the first and only Thai developer who was invited to share his thoughts at this global conference under the topic **“Developing Tall in International Context: Thailand’s Tallest”** which he discussed his vision and experience in building the iconic MahaNakhon landmark development.

Photo shows: Mr. Sorapoj Techakraisri (front row: 4th from right) together with CTBUH Executives led by David Malott, CTBUH Chairman and Antony Wood, CTBUH Executive Director and executives from worldwide tall building developers i.e. TAIPEI 101, Kingdom Tower, One World Trade Center, The Shard, Empire State, and Petronas Towers

MahaNakhon is a luxury mixed-use development and Thailand’s Tallest Tower with 314 meters in height at 77 floors. MahaNakhon comprises Ritz-Carlton branded residences, Edition boutique hotel operated by The Ritz-Carlton, luxury retail space and Sky Observation Deck on the top floor of the tower.
