

MAHA NAKHON

PACE Announces All Winners of MahaNakhon: NIGHT OF LIGHTS Photo Contest

Bangkok – 10 October 2016 - PACE Development Corporation Plc. announced the winners for their MahaNakhon: Night of Lights Photo Contest, part of an event marking construction completion of Thailand's tallest building recently held on 29 August 2016. The light show attracted more than 70,000 images and videos. 100,000THB First prize for most outstanding entry given to Tawatchai Treechorvitaya.

PACE CEO Sorapoj Techakraisri said “When we created the concept of this tower, we hoped MahaNakhon would be a source of inspiration and pride for all Thai people – the light show was held to reflect and celebrate together as Bangkok rises onto the world stage.”

Winner – Tawatchai Treechorvitaya

“The number of entries exceeded our most optimistic expectations, with tens of thousands of photographers lining streets, tall buildings and vantage points on August 29. Picking a winner overall was very challenging given the high standard of so many entries, but ultimately there can be only one winner of the 100,000THB, and we decided K Tawatchai Treechorvitaya’s image best captures the Night of Lights,” explained Mr Kipsan Beck, Managing Director of MahaNakhon .

Taken from the Silom side, K Tawatchai’s image showcases the colours of the Thai flag on the tower, with vivid elements of the light show performance, framed by the skytrain in the foreground and cityscape surrounding MahaNakhon.

PACE also added 5 runner up prizes each of 20,000THB, to the next best 3 images and 2 videos, awarded to Banyat Manakijlap, Kantapat Phutthamkul, Sikarin Sirirak, Suthep Osotparsit and Thanyarat Siri.

In addition, 10,000 entries have received complimentary tickets for 1 person as the first group to the Observatory, with CITI card members able to get an extra ticket. A further 100 entries also will enjoy photography tour of MahaNakhon while 100 entries also receive 1,000THB dining at DEAN & DELUCA. All winners are posted at www.mahanakhon.com/bangkokrising-reward
